

July 2009 - January 2010 Fundraising Goals

The El Rito Library is currently trying to raise funds for the following needs:

1. \$60,000 From government and private grants for or basic expenses to keep our doors open.
2. \$10,000 From our 100 Donors Campaign With this we will be able to meet our 2nd to last land payment and get a head start on programs for the 2nd half of our fiscal year. We have reached halfway!
3. \$30,000 From private donors, special events and capital improvement grants so we will be able to add hours, expand programs and begin to do make much needed capital improvements to our building. Our December Auction brought in more than \$15,000! Thank you all artists and bidders!
4. All told we are looking for \$100,000. Please help us by contributing any way you can!
